

Assignment API7 – Register for Twitter API

For this assignment, you will use the Twitter API to search for tweets. You should explore this site:

<https://developer.twitter.com/en/docs>

ASSIGNMENT:

- Sign up for a Twitter developer account. The file `Twitter_Developer_application.pdf` illustrates the process of signing up for a developer account.
- Use your developer account credentials to run the provided `twitter.py` program.
- Submit a zip file that contains the following:
 - 1 A screenshot showing your successful developer account application.
 - 2 A screenshot showing your `twitter.py` program run.

Note: Your zip file must have your last name inside and out. I.E. it should unzip to a folder that also has your last name.

NOTE: If you are waiting for a twitter account approval, you should apply again. If you apply correctly you should be approved right away.
